Hon. W. Bourne

Andover Mass.

My Dear Sir,

I would thank you to loan me the copy of the opinion of the Supreme Court of the United States furnished you by Mr Phillips as to the right and power of a state to impose a tax on a negotiable note by one party to another. Mr. Howard has given notice of an appeal in the case of Anne M. Ruffin against the Commissioners of Orange and I would be glad to have the opinion as early as possible as there are other cases connected with it about which I have been consulted. Enclosed please find postage stamps to pay postage.

Very truly yours

John W. Teraham
