August 18th. 1873.

To his Honor
Judge Pangee

I have been subpoenaed to attend the present term of the Court in Alamance County, as a witness in a civil action between Patterson & Babson, I am unable to pay my expenses to said Court, if I were able to do so I would go, I immediately inform you of the subpoena served to the County having no demand if they condition, and stated if they would send me the amount of money necessary to bear my expenses, I would at any time go.

I now desire to assure you however that no default is intended to the order of the Court, but for the reasons mentioned above I should gladly obey its order.

Very Respectfully

Your Obedt Servant

R. M. Berry
