

To Mr Scott

Greenboro

Sept 23 1853.

Hon A. W. Langer

Dear Sir:

I am
in receipt of your note
of yesterday in relation
to certain reports which
you are informed, you say,
are current.

In reply, I can say that
I have not only not made
or authorized such state-
ments, but that I have
not even heard the reports
to which you refer.

I am not aware that
you had any knowledge, or
even an intimation, of

The proposed subscription
until it was made in
Cement.

Very Respectfully,

A. M. Scott
