Judge Tourgee.

Dear Sir,

I saw Dr. Brauer to day and he instructed me to write you a note -

That he (Dr. Brauer) thought that my uncle D. Brown was going to try to get the Will case put off again, and I had better write you - as he thought that you could probably bring it to a trial - and have it decided one way or other - And if it is to be moved, please move it to the first court after Kansas pk court on your circuit -

Though if you remember you  
stated last Term that what-  
ever was done must be  
done last Court or it  
would stand for trial at  
This fall's term.

Judge I would like to  
have a short conversation, at  
Court next week at the  
earliest opportunity, with you.

Yours truly  
J. C. Brown
