

I have had regard of the said ~~document~~
 and find it to be a copy of the original
 which was made by the said ~~person~~
 and is in all respects true and
 correct. I have also seen the
 original and find it to be
 the same as the copy which
 is now before me. I have
 therefore no objection to
 the said copy being used
 as evidence in the said
 case. I have signed this
 certificate at the city of
 London this 10th day of
 January 1788.

 Speculation patterns - have by no means been
 profitable. It may much regret the illness of your clerk
 I had no intention of intimating any disbelief in your
 statements to that effect. We are perfectly willing you
 should pay the notes now when to take our own of
 opinion that they ought to be paid now if they are
 ever going to be. Please pay them off at once
 let me hear from you soon

Yours Respectfully
 John Lumley Esq
