Yours of 3<sup>rd</sup> with a note with letter read  
I'm sorry, about that Hatched order of U.S.A. Co. of  
I hope if Mr. Tange promised you to make the handles  
we will do so - but we must be distinctly understood  
more over - we will not make any more gauge  
handles at the same price that we make stock  
handles - Gauge work will not pay at the same  
price as stock work - we have as far as we can  
estimated that there are no handle makers that  
make gauge work at the same price that they make  
stock handles - If any one wants gauge handles they  
would be pay for them at the same price that other  
people sell at - we will make them and set them  
down as they want them - I hope there has been a  
working business thus far -
