January 14th 93

Fred'k Luckey
Sand Cut N.C.

Gentlemen

We wrote you January 6th as follows:—

"Enclosed find B/L of the grinding machine of which Mr Prime spoke to you, which was shipped today — Mr Carmack requests me to ask you — or rather Mr Prime to send down the note."

By mistake the letter was sent to Forest Spring Buffalo N.Y. — Please give it your attention

Yours Respy

N. P. Merrill, Jr.
