Gentlemen

Send no by fresh express -

12 Dr. Rand saw blades - 7/4" x 2 1/2" - 3 teeth to the inch or as coarse as you can get them.

You can get them from Tom Cleb. Bros. - they purchased Colmel - Mess. to let us have them at 25% -

If you can get them send us about 2 doz. - Rand saw file - 8" - they are different from the common paper file by having slightly rounded corners instead of sharp corners.

Yours Respy
