In reply to yours of 8th inst. will say.
 Our present arrangements with W.P.C. are such
 that we cannot sell to anyone in N.Y. but them.

But as you say your trade is one that he does
 not reach and will not interfere with him we
 cannot see that our selling to you would make any
 difference. We will communicate with them on the
 subject and let you know at once what can be
 done. We always make prices about 1/2% above special rates.

Yours Really
