My dear Sir

Since the return of Major Morehead I have succeeded in persuading my associates to ship you our handle, and give you our entire New-York trade - I have assured them your hand would be here as I learned from Major Morehead it would be.

Now you must push this thing and we will keep you in a good line of stock - will allow you 15¢ off the enclosed price list.

We are now making a better handle than we did at "Leakville", our wood is the same - every handle will be examined by myself before casing - you can guarantee the grading correct -
