To-Morrow we will ship you
a #600— lot and next week will
send you a #1000= lot more
We commenced yesterday turning
on the Screw handle and can
in two weeks ship you a lot
We are now running 10 lathes and
in two months will be running
four more— will expect to sell
in the New York Market about
#20000= worth annualy
We have lately added a large
lot of improved Machinery and
for this reason will need very
close returns for a short time.
we will allow liberal interest on
any advancements you may be
called on to make— we would
like to draw on you the 30th per
