D. A. Montgomery Esq
Ashtabula

Dear Sir

Yours of 30th January
rec'd. In reply will say that we can
quote you prices for hammer and
hatchet wood. As we do not buy that
we have enough made wood out of our
own handle stuff to make all of our
hammer & hatchet handles. Hereafter
time we buy hatchet & hammer stuff
& when we buy the hickory in the knife.
We do not want stoke timber we are
not making spokes.

Yours Respy
