Dear Sir  
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the purchase of the land at the corner of the Court and State Streets. I am sorry to hear that you are unable to purchase the land at the present price. I have no objection to your purchasing the land at a lower price than the one offered, provided you can do so. I am, Sir, very respectfully,  
Your obedient servant,

Mr. Shelley told me today that you did not wish to run these saws of any more. - We were thinking of getting those saws from Ireland but if you are not going to run them we would rather get those as that is a better hull saw. If you can do so we wish you would bring them over to Institution - just as soon as possible - our hull saw wants some repairs and we cannot stop it now to make them, and must have another to run while we are fixing it. Please bring it over as soon as you can - and we will be under many obligations -
