

My Dear Sir  
 Received your letter of the 21st inst. in relation to the 32" Ash - I am sorry to hear that you are in want of sledges - I will make you another shipment early next week - probably Monday and can then bill you order for 34" Ash - we commenced turning the 32" Ash today and as soon as they are turned & angled will ship them. It will only be a few days until we can send you a lot of sledges. - Please honor our draft - and we will not forget it. - Reply at once and let us know just what amt of the consigned goods you wish to buy and we will deduct the extra 10% - for cash at 70 days
