success - We got disgusted and quit
 charging them although our customer
 charge them all well to me, I think
 we could probably have up 150
 fresh like this - if there is any chance
 of getting it back. We have written a
 great many times about these
 overcharges but cannot get even
 a reply - Please give this your
 attention

P.S.
 We have lately been shipping by
 way of New York as the difference
 between the rates over here and the
 cost of your overcharges is in favor of
 the New York route
