Bld of Goods shipped July 6th. We had it made out
 in triplicate - on purpose to allow them to have
 one - We sent you one at the time we sent the
 invoice July 6th which you will find among
 your papers. If you have both it at us then
 and we can send you another, - or better than
 that we enclose you one and if you find the one
 we sent you you can return this one.

You ask what to do with the assigned goods,
 why sell them. You cannot have a very large
 stock of assigned goods left.

Since making the above we have been up to see our
 Bankers and they say they will instruct the Bankers in
 Boston who hold the \$500 draft & the B/L to deliver it
 (the B/L) to you.

Yours Truly,
 W. Marshall & Co.
 W. H. H. Day,
