ack with note for \$107.00 to ind etc. I  
also your note for \$200 which you wish  
me to have discounted for you. - We can have

off had you had it discounted in New York  
it will cost you at least \$4.00 a month here,  
I have been too busy today to take it to the bank  
but will do so tomorrow and let you know  
how I succeed. Will send you a case of \$200,
