Gentlemen

Yrs cover of 4th Mch with
ced with check on Mf for Sales to date $13 & 00/100
which please accept our thanks — We regret your
our Trade to anyone else in yr place — Mel Duy
that if yr can and will sell as many handles
as anyone else in Rochr we do not want to
back off, but one thing is sure — that yr
have ever but very little business in handles
with us — In our letter of June 4th 73 we stated
that 10% was the best discount we could give yr
which can now give yr 15% Aug 1st last — and yr
allow us to draw at sixty days date — on our
invoices & B/L — that is on our regular stock handles
we give three cuts — but on the 4th Patent ash we
could not do better than price named in our
letter of June 26th 73 — We have to acknowledge
that — the handles were not shipped 2nd mk to Tim
