

Dear Sir

Wm. B. Wood

I have the honor of your favor of the 10th inst. in relation to the purchase of a pair of boots. I am sorry to hear that the boots were not to your satisfaction. I have no objection to your returning them to me, provided you will allow me the expense of the carriage. I will be glad to receive them at once.

The gauge will not come in and we just wanted what we could reach. We could not well explain in an order what we wanted. It was a gauge with a plug - has a stopper that works with a screw - not like those you sent us today. The stopper in them is simply a plug - and a hole in it - they are always leaking. We return them to you today if you wish to send us some of the other kind (the 1/2 size) - We send no anything from C.D. - If you do we shall have the goods at the Express office subject to your order. We have no money to draw money paying return express charges - drawing enclosed.

Respectfully,
McDonald & Co. Express, Secy.
