Gentlemen

We send you today
by Express - a sample case of hatchet
handles - being the first lot turned on our
new hatchet lathe - these handles which we
send today the hatchet and one just like
the pencil handle sent to you by your
Mr Taft. - We send them by Express so that
they will arrive more quickly and so that we
may hear upon reports on them sooner, Please
examine as soon as convenient and let us
know how they suit - also let us know how
the last case of axe handles arrived.
We are in a position now to furnish you any
amt. of hatchet handles you may want.
We also think we can make you axe handles
also - or a majority of them
