Dear Sir

Received a letter today from
Jas. Pappas. saying they wanted 3000 lbs of
"Boston Pattern" ash handles within 30 days -

Please say to them that we cannot furnish
them in that time - we have to make a new
pattern and consequently cannot furnish them
in that time. We can furnish them about 1

36" "mailed" handles they want at once.

We do not care to make that "Boston Pattern"
any way. Say to them also that we cannot
furnish the hickory and ash plants they want

Yours Truly
