

101 pages

[Faint, mostly illegible handwritten notes and scribbles]

May 10th 6

A. Coleman Esq
Dunstable
Hertfordshire

Have you heard
anything from those boxes
sent by me? We sent a
man after them but
cannot hear anything from them.
We are commencing to think that
Dunstable is a long way off, or
else they have infernally slow
Railroads in that section.

Yours truly
John Lubbock
