Many Thanks for 23rd inst
received with order for
10 Cwt. 10 Qrs 20 lbs. Fine 36" Peak 2¼×3¼
Ok will be impossible to fill the
order in the time you mention —
we had an accident and "smashed"
a pair bottles all to pieces and it
will be several days before we can
get it started — We regret it but cannot
help it — We are anxious for your reply
to our letter of 24th inst as it is impossible
& will probably start for Ry. chance.

Yours Respy
Cartwright & Ray.
