Friend - J. Co.
Gentlemen

Enclosed find Invoice
of B of L of Handls shipped you this day
on the Ship Phipps & Co. from this is the best
we could do at the present time on that order
we have had to make a draw on your firm for the
order & it troubles us to get timber from you
as our timber runs mostly by water but we will
keep one lot on the order until we get it
completed & will get it along as fast as
we can under the circumstances we did not
deduct the 5% Com-Commission from the
Invoice as the Draft supposing you would
have to present them to J. & C. Co. but have
credited you with the Com- & will deduct it
the next time we have a large quantity of Goods
of 36-64 & have been looking every day to receive a line
from you for these goods hoping to receive it soon
Yours Respectfully
J. & C. Co.
