June 9th 3

Windsor Co.

Greenwich

Affairs of June 5th & 6th is at  
 hand & in reply would say that we do not want  
 to take less than our selling price for the goods  
 Mr. Dixon is at present in New York & will  
 probably remain there as our Agent - we will write  
 him & have him go on to Boston as soon as he can  
 & see what can be done with the goods  
 In regard to their handles we have tried one of  
 the factories near us to get their pattern  
 but they report none on hand & the other  
 factory in this place we have nothing to do with  
 If you should come down you might be able  
 to get some from them when they would not sell to us  
 but should be glad to see you at any rate & you  
 might be able to make the best of it.

Yours Respectfully  
 A. C. Handley  
 & Family
