Mr. ... has just returned  
is very much surprised that the order  
forms he ordered of you have not arrived.

Telegraphs me at once when they arrive.

We want to get in our new boiler and cannot  
do so until we get the forms. What about

the survey sheets - if you have more be kind  
enough to let us know so that we can

get them straightened out to the work -  
and we want that one to be prepared any time

if you have them - they are to be the  
book for our work. We have not yet got our

machine so that we cannot do the work  
it will be better than any machine in our state

at present. We are waiting for the work to be done. S. A. W.
