Dear Ed

Yours of 9th is at hand
 & just as I expected you grow about that
 when there is a great big pile of Mattels
 up stairs I had the pleasure of counting
 them as you last fall & as near as I can
 recollect it took me nearly three days
 You know just about as well how many there
 is without counting them as I do if it matters
 any material difference & you must know the
 exact number I suppose they could be counted
 but I dont see as it is necessary if you can
 sell them you can safely sell a lot of boxes
 Cans & Stone Cutters We will count them tomorrow
 & give you the exact number of each kind
 Mr Justice Jim Guion & Leo Charlotte was here
 day I think there will be a good chance to get from
 Jim them one of our lime the other Jim says
 you spoke about he is going to Charlotte to meet
