 & Co is the receipt the Dick print of 11 Gun
 & the hatchet which we will send on Thursday
 we had the most of them finished & Casanah
 was dissatisfied with the finish on them
 & sent them back to be refinished we thought
 we would send these as we had drawn a Green
 & will send the rest without fail on Thursday
 Casanah & Mendenhall have gone to Randolph
 to look at some Engines will be back tomorrow night
 we hope you have succeeded with Green all right
 we will give you all the handles you will want if
 you will sell them I suppose you understand what
 was meant our meaning when we said ~~we~~ we
 would make a provision that at no time more than five
 thousand dollars should be on hand unpaid but you see that
 would give you a stock of Twelve thousand dollars on hand
 & if we had no such provision we might be compelled to
 keep on sending \$1000 of each if you did not sell any
