

Dear Sir

In regard to the handle for your pump
 we have no stock in the shop
 that will turn a handle that long - the
 longest we could turn is 36 inches - we could buy
 a good deal of handle turn 40 inches -
 Our price for a 40 inch handle would be \$2.25
 for shaft - 90% - \$1 - 2.25 90% -

will say that we cannot make them at any
 price - we have not a lathe in the shop
 that will turn a handle that long - the
 longest we could turn is 36 inches - we could buy
 a good deal of handle turn 40 inches -
 Our price for a 40 inch handle would be \$2.25
 for shaft - 90% - \$1 - 2.25 90% -
