Dear Sir,
 Yours of the 2nd inst. received full
 our new list from which we discount you 30%
 allowed in New York or Baltimore - We did name
 us for to Dayton but have raised our prices ~~since~~
 that time - 30% is the best discount we make to
 anyone now - We send you a case of samples ~~which~~
 are on hand here from here to New Orleans is \$11.00
 One thing Mr. Allen we would respectfully ask of you
 do not sell handless at a price less than our list
 price - unless on a large lot they do not discount
 more than 5% - You need not be afraid that our
 prices are too high - all the handless makes that
 we know of have raised prices - We are the look to raise
 Yours Respy,
 James Peck
