We thank you to go and see. -
James Wilson and find out why he does not
send that boiler that Mr. Jones ordered of
him - We have written him several letters
but cannot get any reply from him - We
are not able to run the factory more than
8 hours a day from want of steam, we have
two boilers here ready to put in as soon as
Wilson has sent us the funds & connections
Eveland find Quince & Co - 34" cast handles such as
