Gentlemen

Your favor of 16th is rec'd — Instead of sending you a sample of our #2 N. handle as you requested we have sent you a case — The actual fact is — that those handles we sent you were not fair specimines of the manner in which our cork and grade our handles — You will find enclosed Invoice & Bill of a case viz. 1/4 — #1 — #2 — #2N & #3 — 36" cut ⊠ — the ⊠ is to distinguish the pattern — it is our regular N.Y. Stock pattern — & the only handle (cut) that we sell in N.Y. — You can form a better idea of our handles after you see the ones we have sent you — We noticed after we had shipped the handles today that the case of #3 was a case of different pattern & length — all put up together — but you can see how they run as to quality —
