Phila. Pa.

July 9th 74

Dear Judge,

Yours I at
last, arriving Tuesday;
but the eyes have
put in no appearance.

I showed your
note to Dr. Lewis, and
he thinks, as do I, that
the average of this makers
work is up to that of
the man who made
the one you mention.

Lewis says your
trouble is not an
uncommon one, that

while every one is
delighted with their
first eye, they are
equally disgusted with
with all subsequent
ones!!

Perhaps Queen & Co
Chestnut St bet 10th
- where the jewel was
mined - can do better
for you, but I doubt
it.

If you wish it I
will have my man
make you one with
extra care as to
cuts and smoothness.

The price of the
one sent, as of all
eyes, as far as I am
aware, is \$15. - Usually

no one is charged for these max
x's either.

Yours to command

Wm. Brewster

P.S. We have had a beautiful summer
we either here for many days.

If we keep birds all the time
have to keep the windows open.
