

ALBION W. TOURGEE,

JUDGE

Superior Court,

Greensboro', N. C.,

May 2nd 1874

Hon. Thos B. Keogh:

Dear Sir:

As I shall have
no opportunity to consult with you
further before the Convention at High
Point on the 28th, and as I shall be
quite unable to attend the same, I
desire to place my interests in your hands
and request you to act for me and
in my behalf - in regard to the nomi-
nation - whatever you may deem
proper and advisable to be done
I will cheerfully endorse -

Having the utmost confidence in
your prudence and friendship I de-
sire to place my interests at that
Convention, in your hands, pledging
myself to a cheerful compliance with
course which you may consider
it proper and necessary to adopt
on my behalf - after consultation
with my friends at the Convention -
