

Dear Sir

London
England

October 17th 1794

My dear Sir

I have been acquainted
a long time with your name in
connection with the cause of
education and the welfare of
the poor. I have seen your name
in the papers and in the
mind of the public. I have
been proud and endeavored to see
his success in this. I should
be proud to see a well
undertaken and it is really to say
the same an Education has
attended with the same. No
I am not a person of course
as well as the others and
I am as well as the others
and I am as well as the others
and I am as well as the others

an early settlement as
a sacrifice I am well aware
that I pay an unaided price
for the piece which I cannot
expect to realize I should expect
it was would wish me to an
early wish your idea of the
matter is there do not think
any advantage to be gained
by return I have been
quite better and extremely well
since to a change of climate
the place a house in Maryland
with a name a price at present
I am acting in the market
for your offer of I think the
place ought to fetch at least
under one hundred and fifty
dollars I do not know how many
he will be able to get for it
I hope the case may be
well be found to be correct at
the same time I do not
know where it will be
in any regard for matter
except that I shall be in
to see you in winter

I have been to the mid
Atlantic & among other things
to the
I have been to the mid
Atlantic & among other things
