Friend George,

Your very kind letter of the 25th ult came to hand some days ago, & I delayed answering until the book should be rec'd. Yesterday I called at the office & found it there. It is certainly a very ~~very~~ tasty volume & I am very thankful for it. Next Sunday I shall peruse it, & if it gives me as much pleasure as I anticipate, I will not attempt to "rebut" any of the conclusions in your letter of the 25th ult. Crawford is waiting for me to ride up with him. So good bye

Truly Yours
