

Office of Grand Master of Masons
IN NORTH CAROLINA.

Wilson, Jan'y 20th 1878.

Bro. Albion W. Tourgee

Dear Sir & Bro.

Yours of 18th to hand. In answer
I have to say, that a permit is permission to withdraw
from a particular lodge, which may, even now be coupled
with a condition, and made dependent there upon.

In the case mentioned the condition was express, in accordance
with the existing law, therefore the dismission from your lodge
was never completed by compliance with the condition, hence
the bro mentioned was at time of his death a member of
Greensboro lodge no 76.

Yours Very Truly,

G. W. G. G. G.

G. Master.
