

Raleigh, N. C.,
Feb'y 3^d, 1875.

Hon. A. W. Tounge -

Dear Sir:

I write you concerning a removal to Raleigh. I would like to form a partnership with you, for the practice of civil & criminal business. The solicitorship will be worth about \$3,000.00 per annum ordinarily. By persistent effort it might be made to pay \$10,000 more, possibly 2,000 more. There is a considerable civil business in Raleigh and Halifax that we could get. There is not much civil business in any

of my counties excepting Wake,
Halifax and Northampton.
In each of them I am satisfied
we could very soon get our share.
It would not be necessary for you
to attend Nash, Johnston, Franklin
and Warren and Granville so far
as civil business is concerned, for
there is very little or those docketts.
If you would like to make some
such arrangement, let me hear
from you at your earliest conve-
nience.

Yours very truly,
J. L. Harris.
