

Wellington, Somerset
June 29th 1845.

Judge A. M. Sawyer

Dear Sir

In reply to yrs
dated June 7th I have
decided after due consideration
to accept Kapps offer of
five hundred dollars \$500 cash
down & one hundred \$100
three months from date
please refer to my last
letter & if the transfer can
be carried out through my
cousin Mr. Price of New York
it will save time & trouble.

I hear that property
through the states generally
has much depreciated in
value. You don't I suppose

think there is any
likelihood of the price
of land rising yet a
bit do you?

Kindly address me
to Wellington as before.

My kind regards to
Mr & Mrs Jones - how is
Miss Loder quite the
Jenny lady by this time
& you - with kind

regards I am

Yours faithfully
Edward Price.
