Hon A. W. Torrey Sir
I can't remember the
case with Bonman because I can't
not pay so many Lawyers fees. I told
Mr Bulla to get from it assist him
upon learning that Silmer and
Deleaver was going to claim Fees
in the same case. That was a very
hard case and as false a claim
as ever was presented and as it
cost me much time and money
I am too poor to pay any more
however willing I should be to
do you a favor. The cost you
got was check at 1.50 which I
paid them at but told you you
could have it at 1.00 I intended
to give it to you and have
You will not insist on me paying
any thing more
Yours truly
