Hon Albin W. Towner

Dear Sir Mr Royce

former proprietor of the Gleaner has
just bought me in the book you
have presented to the Lib. Library.
I am glad you remember the
the old association of young men
which we had in your day. That
old library was burned in the
great conflagration which we had
in '57. We now have a much better
one in our new Memorial Hall. I
will send you a copy of the Gleaner containing
a notice of your book though Mr Royce says
I must not mention your name. We should
be pleased to count you as one of the subscribers
to the Gleaner and to see you once more in our
Lib. Library
