

Chapel Hill, N. C.

August 24th 1875

Hon. G. W. Tarver

Dear Sir

I presume you have recollection
of a certain suit brought by
Geo. A. Massey & others against
me & J. H. Cheek and in which
a verdict was rendered in Cheek's
favor at full Term of Orange
Superior Court 1870 by the jury in
substance that Cheek bought
the property (sold under execution
in 1867) with my mon-
ey and that the sale was not
void filed ^{appears} that I was and
am entitled to a partition
of said property. I would be
pleased to employ you in the
case under your opinion
in the case and would

ask you for it
know what you would ap-
pear for in the prosecution
of the suit and also what
you think my prospects
would be in recovering
the homestead in the
property an early answer
is very much desired

I am as ever yours

Most cordially
