

YARBORO HOUSE,

G. W. BLACKNALL, Prop.

• Raleigh, N. C., Sept 1875

Dear Sir:

You have been beaten in the organization of the convention. Cannon was elected today by his own vote. I expect you are now gone up. If we cannot force a motion to adjourn since we shall be completely annihilated. They will certainly turn out all who hold office and give us no chance at all afterwards.

Yours truly,

W. H. Hays
