

Greenboro N.C. - Sept 9<sup>th</sup> 71

Thursday noon.

My dear Husband:

News of yesterday rec'd  
Mr. Pace called up last night and we had  
a very pleasant interview and I learned  
all the inside particulars of the doings  
in Raleigh since you went down. He  
said he had had some talk with you  
about your giving him accounts of  
the proceedings and that you had told  
him you would send me daily bullet-  
ins and he could glean from them  
what was of importance and in view  
of that he would call every morning  
at half past eight to hear the news and  
in accordance therewith called this morning  
and I allowed him to make some extracts

2  
I am your fellow for his report which  
I trust will be satisfactory to you. He  
seemed somewhat discouraged by the  
57 vote on adjournment as he feared  
Henry Bodge & Co would not stand with  
the others. The publican matter will come  
to a vote <sup>multiple measure</sup> the papers were read and read  
with much satisfaction. Keogh went  
right on to Virginia when he came  
up from Raleigh Tuesday night and  
there is no knowing when he will be at  
home. I would write to him about the  
matter of which <sup>you</sup> wrote I know his  
address. But Bace seemed to think  
that there was no money for the project  
I have sent one the News or Sentinel  
or both and it will keep a file. If you  
have to stay here I suppose we may  
as well make the best of it. There is  
no room for plenty of business as to what  
will be done and time alone will  
determine. Keep to the right Virginia  
and I am sure all will yet be well
