

The
Elbitt.

Washington, D. C. Nov. 24th - 1875

My dear wife:

I find that Smith (W.C.)
has been here in Harris' interest and
that is all I have been able to
learn today - The Vice President's
death prompts much being done
I saw Brooks and he is yet
confident but I am afraid
the whole thing will fall through
Tomorrow is Thanksgiving
and the day after Wilson's
funeral - I shall probably start
home on Friday night - Dry cold
is better but than blisters are
terrible especially in the most
troublesome of all places. I
have got me overcoat and
hat and consequently am nearly
prepared - 4rs - a. w. t. o. w. m.

Love & kisses to Sadie -
