Judge

In the case of
Parish vs Moore & others, we gave notice
that we would move for trial next
Monday. I may not be able to be in
Yonkers that day. If I am not I
will
hope your friend is to the interest of our
clients to try. In the case of the
& myself agreed upon a reference, & a trial
for 14th next month, since then Edward
informs me that he wishes to be present
that he cannot attend earlier than the
20th in consequence of special term in
Calicut. If a change to the 20th or a
later day will suit your place write
me as once as you may.

Very truly yours
