Hon A W Tousey,

Dr Sir

We have not heard from Judge Moore, though we wrote to him last week and we learn that he has gone to the centennial and intends to go to Europe this summer, we are therefore unwilling to recommend him to hold the Special Term. Advise us what to do, who shall we recommend? Henry or Seymour or some one else? We shall do nothing till the last of the week, please answer immediately and oblige

Yours Truly

P.S. We are not certain Henry has gone to centennial it is rumor here, at least one of my friends says he told him he was going & thence to Europe  
I will be in Raleigh about 1<sup>st</sup> June.
