Hon. A. W. Tourgee.

My Dear Sir.

I write this to find out whether you can be certain that either Moore or Seymour will be sent us as judge, in case we call a special Court. If we cannot get one of these judges we want no special term, but are anxious for it if we can get either one of them.

Please see Gov. Brogden and let us know the result at your earliest opportunity. Certain enemies of mine inside of my own party, are boasting that if we petition for a called Court, they will see to it that the man we recommend is not appointed to hold it. See the Gov. and let us hear from you immediately, and if you can assure us that Moore or Seymour will hold the term for us we will petition for the Court at our June meeting. Otherwise we shall not. I will be in Raleigh the last of next week & make arrangements in regard to the money matter. Very truly yours
C. B. Cole.
