Judge Albion W. Tougee
 Mayaville N. Y.

Dear Sir Are you in the lecture
 field this fall and if so are you
 to be in this part of the country?

Was your reception here such that
 you would care to come again?

Should you be inclined to come
 please give me possible dates and
 your terms.

The middle or later part of November
 would probably be preferable from
 our stand point.

Of course you do not remember me
 but possibly you may recall my name
 as one of the committee of last year.

An early reply will greatly oblige

Yours really
 Chas E. Herries.
