My Dear Sir

I wrote you to day, but have since learned your letter was sent to Mayville by mistake. I write simply the substance of that letter I have made the engagements thus far without local or hotel bills, as the terms were given us in your correspondence 75.00 straight. Then again I do not charge any local committee hotel bill for any of our other people. They dislike to be bothered and where it is insisted on about one engagement in four or five is lost. If you insist upon the hotel bills being paid, then take it out of my commissions for these two trips. I write this because Belvidere wrote us to day complaining they had your hotel bills to pay which was not in the contract. I will fix that matter with them myself.

Yours truly
H. L. Slayton
